GOSO is open for business -- but our office on E. 124th St. is temporarily closed due to damage from a recent flood. We are working with the landlord to have the space cleaned and repaired soon.

While we can't use the office, GOSO staff can meet with participants at our SAVE office at **1652 Park Ave. @ 117th Street (there is a green awning over the entrance.)**

Your PSM will contact you with updates, but you can contact them directly with questions or concerns. You can also call the Main GOSO number (212) 831-5020.

We'll continue to update you and let you know when our E. 124th St. location re-opens. In the meantime, GOSO's programs continue for you.
